Finding “untapped talent” in the North of England

- / Are you an entrepreneur based in the North of England?**
- / Is your business in the creative or arts sector?**
- / Do you have a great idea or want to go to the next level with investment and support?**

If you’ve answered yes to all the above, then we want YOU to enter our competition to find the best “untapped” entrepreneurs in the North of England.

You could be an already established business wishing to grow, a start-up or just have a really strong business idea but with a track record that shows you can deliver.

Our winner is **GUARANTEED £5,000** investment and if the judges are blown away then **£10,000** is up for grabs, with the money and ongoing support from MeWe360 in your back pocket.

ALL competition applications will be automatically given **MeWe360** Associate Network membership (worth £175 annually and access to events and the London space) once the application form has been completed.

How to enter the competition...

The next steps to entering the competition is to complete the application form which can be downloaded at www.mewe360.com/north-investment-competition and sending the application form along with a short video to info@mewe360.com by the 2nd December 2016.

The shortlist will be announced in the new year with live pitches taking place in front of the judging panel at the end of January.
